

KEYS BENEFIT FOR DILLON PAPIER

The proceeds will benefit Type C research for
THE NATIONAL NIEMANN-PICK FOUNDATION

Enjoy a ballgame with friends and family on **Sunday, July 13th**
at **6:00 PM** at the **Frederick Keys Stadium** and join the fight against
Niemann-Pick Type C (NPC) disease. Come early and play catch on the
field. Enjoy the spectacular fireworks following the game.

Celebrate Dillon's 6th birthday and help support the vitally important
research in finding a cure for this devastating, extremely rare disease
that is always fatal (only 500 cases have been diagnosed in the world).

NPC has been labeled "Childhood Alzheimer's," and is believed to hold
important clues in solving many deadly brain diseases. Without a
treatment the disease, within 5 -10 yrs, will rob Dillon of his ability to
walk, talk, eat (eventually requiring feeding tube), and recognize his
parents. It will then rob him of his most precious gift - life.

Dillon loves playing and watching baseball. His first words in the
morning are "Do I have a little league game today?", or "Will I be
watching the TJ High School game?" Dillon is always asking his dad, TJ
Baseball Coach Mark Papier, to help him refine his skills of hitting,
bunting, catching, and his all-time favorite - sliding.

Please be as generous as you can. Time is Dillon's enemy. A cure
must be found to save our fun-loving neighbor who has a unique sense
of humor, infectious smile, and sweetness that touch all who meet him.
